

K-Love serves me as a resident of Clinton. It has been an uplifting part of each day and helps to keep my relationship to God close and personal. If K-Love were replaced with an LPFM broadcaster, my daily routine would be upset. I listen to K-Love everyday at home and in the car. This is the only radio station in our area that I can listen to as I travel the country. I believe that K-Love serves a purpose to my community by providing pastoral support, uplifting music and commentary and also by bringing unchurched people to the Lord. Without K-Love, our community and the surrounding area would definitely be at a loss.
